SUMMARY

Growth marketing lead with six years of experience in paid acquisition and customer analytics for consumer brands.

EXPERIENCE

Growth Marketing Lead, Upper Thomson Meals | Singapore | Sep 2022 - Present

- Lead paid search and paid social for a meal delivery brand with SGD 1.2 million annual media spend.
- Run incrementality tests with holdout regions to measure the true effect of Meta and Google campaigns.
- Built customer segments by order frequency and value in SQL, used to set different CAC targets for new and returning customers.
- Analysed cohort retention of customers from each channel and shifted budget toward channels with higher 90-day retention.
- Present quarterly growth reviews to the founders.

Marketing Analyst, Paya Lebar Fitness | Singapore | May 2020 - Aug 2022

- Reported Google Ads and Facebook Ads performance in Tableau.
- Ran email campaigns in HubSpot to bring back lapsed members.
- Used Excel and SQL to track cost per acquisition by channel.

EDUCATION

Bachelor of Business in Marketing, GPA 3.8 / 5.0

Singapore University of Social Sciences | Jul 2016 - Apr 2020
