SUMMARY

CRM analyst with almost six years of experience in retail loyalty and email marketing.

EXPERIENCE

CRM Analyst, Eunost Fresh Mart | Singapore | Oct 2022 - Present

- Built RFM segments for 450,000 loyalty members in SQL and used them to target weekly offers.
- Analyse monthly cohort retention and churn; a win-back programme for lapsed members recovered about 8% of them within three months.
- Plan and measure email and app push campaigns in Braze, including holdout groups.
- Ran retargeting campaigns on Meta Ads for lapsed members and reported cost per reactivation.
- Present monthly customer insight reports to the marketing and category teams.

Marketing Executive, Changi Beauty House | Singapore | Jan 2021 - Sep 2022

- Sent weekly email campaigns in Klaviyo and reported open and click rates.
- Ran a customer satisfaction survey and summarised the results in Excel.
