weijie.lim@example.com | +65 9000 0000 | Singapore

SUMMARY

Junior web developer who moved into software after four years in logistics. Builds small Django web apps for local businesses.

EXPERIENCE

Junior Web Developer, Simei Digital Agency | Singapore | Mar 2025 - Present

- Build small websites and booking tools for local businesses using Django and Bootstrap.
- Add simple REST endpoints for mobile-friendly booking forms.
- Fix layout bugs on mobile screens using CSS and JavaScript.

Logistics Coordinator, Pioneer Freight Forwarding | Singapore | Jan 2021 - Jun 2024

- Coordinated bookings and documents for about 40 shipments a week.
- Built Excel macros that sped up the weekly shipment report.

Projects

- Hawker queue tracker: Django and PostgreSQL web app that shows queue times from user reports, with pytest tests.

EDUCATION

Bachelor of Science in Logistics and Supply Chain Management, GPA 3.5 / 5.0

Singapore University of Social Sciences | Jul 2016 - Jun 2020

SKILLS

Languages: Python, JavaScript, HTML, CSS
